## RETREAT SPONSORSHIP PACKAGES

### About our Retreat for Moms of Special Needs Children

Our #GiveMomABreak Special Needs Mom's Retreat is a powerful time of rest and relaxation to help the moms in our community gain clarity, peace and calming. Our goal is for our moms to enjoy time for themselves so they can return ready to jump back into the daily routine of appointments and schedules, while doing it with a fresh perspective and knowledge on basic self-care practices to keep the whole family feeling balanced.

We will provide our special needs moms with a 4 day/3 night stay at the Margaritaville Beach Hotel on Pensacola Beach, Florida where they can take a much deserved break and learn and practice self-care with professionals in the field of yoga & meditation, health & nutrition, and stress reduction practices while enjoying the community of being surrounded by like minded women to build community and support.

As a non-profit organization, we rely on donations to cover the cost of the retreat. With higher than average medical expenses in our community, one of our goals is to keep this one of a kind retreat experience as affordable for our community as possible. In doing so, Emerald Coast Exceptional Families makes up for the additional cost of the retreat through donations.
